On Target: GVSU graduate has line of motivational greeting cards at retailer

Greeting cards designed by Shannon Cohen are being [displayed at Target stores!](#) And what was her GV Major? Advertising? Marketing? Graphic Design... None of these! Shannon majored in Political Science. Remember, Exploratory Students, picking a major is only one piece of creating a career and future impact!

UPCOMING EVENTS

Padnos College of Engineering & Computing Hosts Webinars for Prospective Students

Are you wondering if a career in **computing, engineering, occupational safety and health management, or the professional sciences** could be right for you?

Professionals in all of these STEM fields are in high-demand, and GVSU students enter the workforce prepared for success due to the experiential learning embedded in our programs.

Sign up for an informational webinar to learn more about the academic programs in the GVSU Padnos College of Engineering & Computing. This is an opportunity to speak with faculty from the PCEC programs to have all of your questions answered.

[Visit the PCEC Informational Webinars website to find a time that works for you.](#)

Ready to Experience What's Next?

Attend an informational webinar: <http://gvsu.edu/s/1Cw>
