Exploratory Advising

November is here! **NOW** is the time to be confirm your classes for next semester. Meet with your Exploratory advisor to discuss the interests that you have developed this semester, and we can help you review and update your schedule.

Schedule with [Jason](#), [Kiara](#), or [Kate](#) on Navigate or by calling 312-331-8585 during business hours.

ADVICE FROM YOUR EXPLORATORY ADVISORS:

[Kiara Conway](#)

"Utilize the resources available to you. If you are unsure what those resources are schedule an appointment with an Exploratory Study Advisor."

[Kate Sanders](#)

"Don't become a 2nd semester sophomore with Gen Eds done, but no time spent discovering majors! Come meet with us!!"

[Jason Prowant](#)

"Finding the right major is not a passive process. It takes a lot of effort so make sure that you start early in your college career."
