

This page lists all the majors available at Grand Valley State University. Cross out the majors that you are not interested in at any level. Do not eliminate a major just because you do not know what it entails. With the remaining majors, visit the college website and their advisors to learn about requirements, coursework, tracking, admission, advising, etc. Remember to check out the other helpful tips for Exploratory Students at <https://www.gvsu.edu/exploratory/>

You can follow the steps below!

Step 1: Cross out the majors that you would NEVER consider. You can also circle the ones that spark joy or interest!

Step 2: Visit the advising center website to learn more information about the major.

Step 3: Reflect on your options!

What majors sparked an interest?
List them below!

- 1.
- 2.
- 3.
- 4.
- 5.
