

# WORKDAY INFO SHEET: WHY WORKDAY?

In 2020 and 2021, GVSU conducted an ERP (Enterprise Resource Planning) review. It was determined that Workday was the solution that best met the university's future needs. Here are some ways in which Workday will work for you.

## USABILITY

With Workday, you'll have a simpler user experience with better workflows and data access.

## TECHNOLOGY SIMPLIFICATION

By consolidating systems with Workday, we will be able to reduce costs and support demands.

## INNOVATION

Workday offers modern cloud technology that provides GVSU with the foundation to meet modern digital experience expectations.

## BENEFITS OF WORKDAY

- An integrated system that reduces work time and integrates with many other systems
- View the status of initiated tasks and get notified of completed tasks
- Your personal information and organizational charts are easy to find
- Access and update your own personal data
- Complete activities from your Workday My Tasks by searching or using applications
