INSPIRING SCIENCE

Ignite classroom curiosity

Take a moment to think back. Do you remember what sparked your initial interest in science? Or what might have inspired you to share your passion with children? As teachers, we have a unique opportunity to do the very same thing for our students.

Be the spark

Join us for our inspirational one-day conference offered to K-16 educators. We'll explore ways you can inspire scientific curiosity — just like you experienced — in your own classroom. Gain new insight on cultivating interest and motivation in your students.

**Wednesday,
November 14, 2018**

8 a.m.–3 p.m.

Grand Valley State University
Russel H. Kirkhof Center

Cost includes lunch

\$45 per person

**\$20 preservice teachers
(\$10 without lunch)**

Elementary and secondary breakout sessions on a wide variety of topics within areas of science, technology, mathematics, and pedagogy

Important updates on Michigan's science standards and assessments

Past presenting organizations include Michigan Department of Education, Van Andel Education Institute, John Ball Zoo, and West Michigan Environmental Action Council

Watch for online registration and additional information at gvsu.edu/rmsc
