AND MATHEMATICS (STEM)?**

ENERGIZING OUR WORLD

**JUNE 18-21, 2018
MONDAY-THURSDAY
8:30 A.M.-3:30 P.M.**

**FOR STUDENTS ENTERING
7TH OR 8TH GRADE**

**GRAND VALLEY
STATE UNIVERSITY
REGIONAL MATH AND
SCIENCE CENTER**

Energizing Our World is a four-day camp designed to spark interest in renewable energy. Students will participate in activities that provide hands-on experiences with a variety of renewable energy sources. Students will have the opportunity to engage in activities involving solar, wind, and hydro power.

ELIGIBILITY

Participants must be between the ages of 11 and 15, currently in the 6th or 7th grade, and entering 7th or 8th grade in Fall 2018. Preference will be given to students who attend schools in the Grand Rapids Public, Wyoming Public, or Holland Public school districts. Completed application forms must be received no later than April 16, 2018.

SUPERVISION & MEALS

There is one counselor for every eight students. Lunch and snacks are provided each day.

COST

The camp is FREE.

TRANSPORTATION

Transportation may be available based on need for students in the Grand Rapids Public, Wyoming Public, or Holland Public school districts; this service is dependent on grant funding.

ACCEPTANCE

The Grand Valley State University Regional Math and Science Center will notify students of acceptance or waiting list status beginning April 23, 2018.
