

A four-day camp designed to spark interest in renewable energy!

JUNE 15 - 18 | 8:30 AM - 3:30 PM

ENERGIZING OUR WORLD

For Students Entering 7th or 8th Grade

Energizing Our World is a four-day camp designed to spark interest in renewable energy. Students will participate in activities that provide hands-on experiences with a variety of renewable energy sources. Students will have the opportunity to engage in activities involving solar, wind, and hydro power.

The camp will be held at GVSU's Allendale Campus. This is a nonresidential camp. Students will also have the opportunity to participate in an off-site field trip.
