## Standards

### **INTASC-2013.1**

Learner Development. The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

#### **INTASC-2013.1.a**

The teacher regularly assesses individual and group performance in order to design and modify instruction to meet learners' needs in each area of development (cognitive, linguistic, social, emotional, and physical) and scaffolds the next level of development.

#### **INTASC-2013.1.b**

The teacher creates developmentally appropriate instruction that takes into account individual learners' strengths, interests, and needs and that enables each learner to advance and accelerate his/her learning.

#### **INTASC-2013.1.c**

The teacher collaborates with families, communities, colleagues, and other professionals to promote learner growth and development.

### **INTASC-2013.10**

Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

#### **INTASC-2013.10.a**

The teacher takes an active role on the instructional team, giving and receiving feedback on practice, examining learner work, analyzing data from multiple sources, and sharing responsibility for decision making and accountability for each student's learning.

#### **INTASC-2013.10.d**

The teacher works collaboratively with learners and their families to establish mutual expectations and ongoing communication to support learner development and achievement.

#### **INTASC-2013.10.f**

The teacher engages in professional learning, contributes to the knowledge and skill of others, and works collaboratively to advance professional practice.

### **INTASC-2013.2**

Learning Differences. The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

#### **INTASC-2013.2.a**

The teacher designs, adapts, and delivers instruction to address each student's diverse learning strengths and needs and creates opportunities for students to demonstrate their learning in different ways.

#### **INTASC-2013.2.b**

The teacher makes appropriate and timely provisions (e.g., pacing for individual rates of growth, task demands, communication, assessment, and response modes) for individual students with particular learning differences or needs.

#### **INTASC-2013.2.c**

The teacher designs instruction to build on learners' prior knowledge and experiences, allowing learners to accelerate as they demonstrate their understandings.

### **INTASC-2013.3**

Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

**INTASC-2013.3.a**

The teacher collaborates with learners, families, and colleagues to build a safe, positive learning climate of openness, mutual respect, support, and inquiry.

**INTASC-2013.3.c**

The teacher collaborates with learners and colleagues to develop shared values and expectations for respectful interactions, rigorous academic discussions, and individual and group responsibility for quality work.

**INTASC-2013.3.d**

The teacher manages the learning environment to actively and equitably engage learners by organizing, allocating, and coordinating the resources of time, space, and learners' attention.

**INTASC-2013.4**

Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.

**INTASC-2013.4.a**

The teacher effectively uses multiple representations and explanations that capture key ideas in the discipline, guide learners through learning progressions, and promote each learner's achievement of content standards.

**INTASC-2013.4.b**

The teacher engages students in learning experiences in the discipline(s) that encourage learners to understand, question, and analyze ideas from diverse perspectives so that they master the content.

**INTASC-2013.4.d**

The teacher stimulates learner reflection on prior content knowledge, links new concepts to familiar concepts, and makes connections to learners' experiences.

**INTASC-2013.5**

Application of Content. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.

**INTASC-2013.5.b**

The teacher engages learners in applying content knowledge to real world problems through the lens of interdisciplinary themes (e.g., financial literacy, environmental literacy).

**INTASC-2013.5.d**

The teacher engages learners in questioning and challenging assumptions and approaches in order to foster innovation and problem solving in local and global contexts.

**INTASC-2013.5.f**

The teacher engages learners in generating and evaluating new ideas and novel approaches, seeking inventive solutions to problems, and developing original work.

**INTASC-2013.6**

Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

**INTASC-2013.6.a**

The teacher balances the use of formative and summative assessment as appropriate to support, verify, and document learning.

**INTASC-2013.6.e**

The teacher engages learners in multiple ways of demonstrating knowledge and skill as part of the assessment process.

**INTASC-2013.6.g**

The teacher effectively uses multiple and appropriate types of assessment data to identify each student's learning needs and to develop differentiated learning experiences.

**INTASC-2013.7**

Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

**INTASC-2013.7.a**

The teacher individually and collaboratively selects and creates learning experiences that are appropriate for curriculum goals and content standards, and are relevant to learners

**INTASC-2013.7.b**

The teacher plans how to achieve each student's learning goals, choosing appropriate strategies and accommodations, resources, and materials to differentiate instruction for individuals and groups of learners.

**INTASC-2013.7.d**

The teacher plans for instruction based on formative and summative assessment data, prior learner knowledge, and learner interest.

**INTASC-2013.8**

Instructional Strategies. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

**INTASC-2013.8.b**

The teacher continuously monitors student learning, engages learners in assessing their progress, and adjusts instruction in response to student learning needs.

**INTASC-2013.8.f**

The teacher engages all learners in developing higher order questioning skills and metacognitive processes.

**INTASC-2013.8.h**

The teacher uses a variety of instructional strategies to support and expand learners' communication through speaking, listening, reading, writing, and other modes.

**INTASC-2013.9**

Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

**INTASC-2013.9.a**

The teacher engages in ongoing learning opportunities to develop knowledge and skills in order to provide all learners with engaging curriculum and learning experiences based on local and state standards.

**INTASC-2013.9.b**

The teacher engages in meaningful and appropriate professional learning experiences aligned with his/her own needs and the needs of the learners, school, and system.

**INTASC-2013.9.c**

Independently and in collaboration with colleagues, the teacher uses a variety of data (e.g., systematic observation, information about learners, research) to evaluate the outcomes of teaching and learning and to adapt planning and practice.

## Standards

### **INTASC-2013.1**

Learner Development. The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

#### **INTASC-2013.1.h**

The teacher respects learners' differing strengths and needs and is committed to using this information to further each learner's development.

#### **INTASC-2013.1.i**

The teacher is committed to using learners' strengths as a basis for growth, and their misconceptions as opportunities for learning.

#### **INTASC-2013.1.j**

The teacher takes responsibility for promoting learners' growth and development.

#### **INTASC-2013.1.k**

The teacher values the input and contributions of families, colleagues, and other professionals in understanding and supporting each learner's development.

### **INTASC-2013.10**

Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

#### **INTASC-2013.10.p**

The teacher actively shares responsibility for shaping and supporting the mission of his/her school as one of advocacy for learners and accountability for their success.

#### **INTASC-2013.10.r**

The teacher takes initiative to grow and develop with colleagues through interactions that enhance practice and support student learning.

#### **INTASC-2013.10.t**

The teacher embraces the challenge of continuous improvement and change.

### **INTASC-2013.2**

Learning Differences. The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

#### **INTASC-2013.2.l**

The teacher believes that all learners can achieve at high levels and persists in helping each learner reach his/her full potential.

#### **INTASC-2013.2.m**

The teacher respects learners as individuals with differing personal and family backgrounds and various skills, abilities, perspectives, talents, and interests.

#### **INTASC-2013.2.n**

The teacher makes learners feel valued and helps them learn to value each other.

### **INTASC-2013.3**

Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

**INTASC-2013.3.r**

The teacher is a thoughtful and responsive listener and observer.

**INTASC-2013.4**

Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.

**INTASC-2013.4.r**

The teacher is committed to work toward each learner's mastery of disciplinary content and skills.

**INTASC-2013.6**

Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

**INTASC-2013.6.u**

The teacher is committed to making accommodations in assessments and testing conditions, especially for learners with disabilities and language learning needs.

**INTASC-2013.6.v**

The teacher is committed to the ethical use of various assessments and assessment data to identify learner strengths and needs to promote learner growth.

**INTASC-2013.7**

Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

**INTASC-2013.7.n**

The teacher respects learners' diverse strengths and needs and is committed to using this information to plan effective instruction.

**INTASC-2013.7.q**

The teacher believes that plans must always be open to adjustment and revision based on learner needs and changing circumstances.

**INTASC-2013.8**

Instructional Strategies. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

**INTASC-2013.8.p**

The teacher is committed to deepening awareness and understanding the strengths and needs of diverse learners when planning and adjusting instruction.

**INTASC-2013.8.s**

The teacher values flexibility and reciprocity in the teaching process as necessary for adapting instruction to learner responses, ideas, and needs.

**INTASC-2013.9**

Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

**INTASC-2013.9.l**

The teacher takes responsibility for student learning and uses ongoing analysis and reflection to improve planning and practice.

**INTASC-2013.9.m**

The teacher is committed to deepening understanding of his/her own frames of reference (e.g., culture, gender, language, abilities, ways of knowing), the potential biases in these frames, and their impact on expectations for and relationships with learners and their families.

**INTASC-2013.9.n**

The teacher sees him/herself as a learner, continuously seeking opportunities to draw upon current education policy and research as sources of analysis and reflection to improve practice.

**INTASC-2013.9.o**

The teacher understands the expectations of the profession including codes of ethics, professional standards of practice, and relevant law and policy.
