Patricia Camp

President of MED 5 LLC/ Stomacloak

MED5 LLC was formed for the purpose of providing an affordable and effective solution to ostomy patients, worldwide, struggling to achieve a high quality of life due to the ill effects of using of an ostomy bag. MED5 LLC was formed by six professionals in the Muskegon community. Three physicians (one being an ostomy patient), a registered nurse, a marketing professional and a manufacturer joined forces with a goal to address the needs of ostomy patients resulting in the development of the company's proprietary product, [Stomacloak®](#). Stomacloak® is a cover for the ostomy waste pouch. This cover reduces odor, inhibits bacterial growth, wicks away moisture, is soft and comfortable.
