

# Interested in the Health Professions?

**sHaPe Your Future!**

**FREE** for students currently in 7th & 8th grades

**Registration Deadline: April 30, 2022**

**Camp Dates: July 11-15, 2022**

## Summer Health Activities and Professions Explorations Summer Camp (sHaPe)

**sHaPe** is a **FREE** one-week day program introduction to the health professions. Students participate in activities that provide hands-on exposure to a variety of health professions including physical therapy, medical lab science, sports medicine, and more! Program activities include collecting data in a laboratory setting and using modern medical equipment.

**NOTE:** Final decisions regarding in-person, hybrid or fully remote delivery will be determined following COVID-19 safety guidelines.
