Connecting with others is a vital part of the caregiving equation. However, with today's busy schedules, caregivers may not be able to find time to, or be comfortable with, attending an in-person group. AFA offers free weekly, telephone based support groups, facilitated by AFA's licensed social workers, designed to give caregivers a place to connect and share with one another.

Current support groups meet on Mondays from 7-8 pm (ET) and on Thursdays from 7-8 pm (ET).

To register for a caregiver support group, please contact AFA's National Toll-Free Helpline at 866-232-8484 and speak with one of our licensed social workers.
