

Dear UAS Members:

A special meeting of UAS is scheduled for Friday, August 7, from 3:00pm to 5:00pm with **VP Jesse Bernal** to discuss the Campus Climate Survey Preliminary Results.

The following attached documents will serve as background information:

1. UAS Assessment of Campus Climate Survey Preliminary Results Roll-out Including Memo from BCOIS to VP Jesse Bernal
2. VP Jesse Bernal's Response to Memo from BCOIS

As this is a meeting that is "solutions-driven", with a goal of "finding a way forward", I strongly urge all UAS members (especially those who cannot make it to the meeting on Friday) to send any questions based on the background reading to me before Friday at 3:00 pm.
