---

- I. Review of the minutes from the last meeting, Oct 3, 2019.
- II. Review of two points of concern from the Legal Office:
  - a. Financial aid (evaluation of the students' FA status post AF)
  - b. Inclusion and Equity in the policy (including evaluation of the demographic data from IAO)
- III. Vote on whether to continue discussion of possible inclusion of undeclared students / exploratory status / pre-professional status / non-degree seeking for the current AF policy draft.
- IV. Vote on whether remedial / preparatory courses / recommended courses (hidden pre-requisites) should be considered for AF.
- V. AF application denied – (appeal) request from the student to reconsider.
- VI. Data “mining” of pilot I-II:
  - a. profiling students who have applied for AF
  - b. further analysis of applications from students in good standing
  - c. tracking progress of students who applied successfully
