New Business
- Update on SAIL "test form" microcredential forms, Parts 1 (of 2) and 2
- Discussion: Consider using the current "Program Change Proposal form" in SAIL for changes to currently approved badges
  - CURRENT CHANGE PROGRAM FORM LANGUAGE (in SAIL): This form and procedures must be used to propose changes to or drop an existing emphasis, minor, major, program, degree or academic unit at the undergraduate or graduate level. Multiple changes to a program (as well as related changes across multiple programs within the same unit) can be submitted on a single PCR.

  - NOTE FROM ERICA: In reviewing the Program Change Request form in SAIL, I think we could definitely use this for proposed changes to currently approved badges (see screenshot of current language – we could add a button in there that reads, "Change Badge"). The questions in the current Program Change Request form seem like they could be used if/when someone wants to change a badge (see attachment with the form questions).

- Badge proposal review:
  - [Victim Advocacy Badge, Proposal Form Part 2](#) (Jackie Doyon-Martin, Criminal Justice); NOTE: The OEMC reviewed the [this badge part 1 proposal](#) on 4/7/21)
- Badges, Institutional Marketing, Assessing/Measuring Badge "success" (Rhonda)

- Course Review
