    1. Revisit how we use the words “online”, “synchronous” and “asynchronous”
    2. Consider the concept of and definitions related to “hybrid” (originally defined to satisfy HLC), to provide some consistency across course offerings. Important that students know what to expect, in the context of a positive student-centered experience.
    3. Discuss “flex” definition.

**Course Review:**

NOTE: This is all I have right now, if I get in other proposals before Friday, I may add them!
