Policies and procedures for integrated BS/MS

Action: tabled

Points raised:

1. A new version of the integrated BS/MS policy was brought forward. UCC members are encouraged to email comments to the UCC chair.
2. Conditions for students remaining in good standing in the graduate portion of the combined program should be based on graduate course GPA, not earning a B in all courses.
3. Discussion of when students are considered graduates was raised, but appears too complex and subject to external forces to create a university-wide policy. The newest version of the policy addresses this by requiring proposals be reviewed by members of the administration.

Meeting adjourned at 4:10 PM
