Report from the Chair:

1. Removal of MGT 340 from general education program as it was not being assessed as required by the General Education Committee. Supported by UCC
2. Gen Ed wants to tweak the Historical Perspectives knowledge outcomes by the removal of the second outcome so that only 2 outcomes remain as in the following: Updated HP Knowledge Outcomes beginning in 2018-19 i. Explain how historical knowledge is created, including chronological thinking, a comprehension of primary sources, and historical analysis and interpretation. ii. Evaluate historical understanding through the examination of various human endeavors, such as social, political, scientific/technological, economic, and philosophical/religious/aesthetic activities.
3. Badge icon discussion. While what was provided by Institutional Marketing was unique, UCC members felt there should be more done in the area of graphics and representation of GVSU. Largest concern was the ability to easily copy the badge as designed currently

Report from the Provost's Office: A report prepared for HLC review will be sent out to GVSU community for comment.
