- 10763 Liberal Education and Professional Skills Certificate (LEPS) PCR (drop)

“Robert’s Electronic Rules of Order”-in Honor of D. Robert Adams: Read your assignments and enter comments and motions before midnight on Tuesday. If an item needs any discussion at all, move to table. Otherwise, motions are “approve”, “approve with amendment (please be specific on what needs to change)”, “return for amendment (again, be specific)”, or “reject”.

Before Wednesday at midnight, please review other people’s comments and see if you missed anything, would like to change your motion, enter new comments, etc.

Sometime on Thursday or Friday I will take action in Sail.

Thanks everyone!
