**Report from the Chair:** There are a number of proposals that are in our que, so it will be a busy fall.

**Report from the Provost:** 1) Board of Trustees approved Masters in Athletic Training in May to start in 2019; 2) Board of Trustees approved in May the recommendation to discontinue Chinese Studies and RIS degree programs in July; 3) over the summer, 2 programs were put on 'moratorium status': Taxation graduate degree and the launch of the Early Childhood Minor was delayed until the College of Education can get one of the courses that they are contributing to the Minor changed in response to a Standards change made by the State; 4) In preparation for the HLC visit, the credit hour policy needed to be clarified, using footnotes that were added to the policy after consultation with the UCC Chair. The UCC webpage now includes these two footnotes to the policy: (a) the 15<sup>th</sup> week of instruction is finals week and the time for the course's culminating experience; (b) there is no policy of adding time if University closure occurs; 5) A 'Badging' website has been constructed by the Provost's Office, including 3 student badges, and many faculty badges; 6) Through continued discussion, it was asked that the policy for Capstone be placed in several locations, including the UCC website. Exemplar Capstone courses were also requested to be posted for other Units to review when they consider changes to the capstone experience.
