**Report from the Chair:**

- 1) Error was noticed from last week's actions. Chair asks for UCC consent to return NUR 710, 711, and 712 courses to author, correct the prerequisites and corequisites listed for these three courses that were reviewed last week.

**Report from the Provost:**

- (1) Gen Education director noticed that there are differing syllabi for some General Education elective courses on Blackboard SOR repository that were cross-listed. The main problem was that some objectives were missing from some of the cross listed syllabi. A submitted version of a correctly listed SOR had both the Course description and General Education descriptions had not been included. These will need to be added back in, with approval from department chairs. The UCC approved these corrections pending the addition of the course description and General Education statements.
- (2) Brief report on incoming GVSU President Mantella and her activities on campus yesterday and today was given.
