- 10301 STA 630 CCP

Report from Chair: 1) UCC Chair will send comments to ECS Chair if UCC has concerns about the OEC/OEMC revision.
2) UCC will potentially need to use Blackboard collaborate to hold meetings synchronously. Be aware that you should have UCC in your Blackboard Groups.
3) Please keep the time of this meeting open and find a location with high speed connections to a computer if possible.

Report from Provost: 1) Ellen reported on the potential actions at the university related to COVID19 infection control. IF we need to move all classes online, this would cause a temporary suspension of policy regarding online training certification (not extending beyond the needed period). Instructional design, FTLC, Library are all on standby, at ready. Ellen notes that this is not “excellence in online education” and that laboratory, art, music, etc courses will be hard to achieve via online methods. FTLC is formulating training plans currently.
2) Amy Schilling reported on the revisions to the Charges to OEC and OEMC proposed language. UCC members are being sent the revisions and have until Thursday PM to notify the UCC Chair of concerns
