Report from the Chair: 1) The Chair reports that he is dealing with questions regarding course delivery and curricular changes and we at UCC will stick by our typical processes for approval of hybrid and online. Please bring comments to the Provost.

2) Honors program is transitioning to the new curriculum and they are asking for a memo procedure to drop courses, which would go through BCOIS CC, BCOIS Dean's office, UCC, and Provost's office. UCC will be done by the representative of UCC (likely the Chair).

3) Martin suggested that we elect the UCC chair in two weeks, with nominations for the Chair next week.
