**Report from the Chair:**

- 1) Chair reports moving several curricular packages forward, and seeking additional information on the Water Resources Management package, which had a course returned to address internship questions of the UCC.

**Report from Provost:**

- 1) Ellen reports connecting with the Deans/Associate Deans about curricular things that need to be done before the end of the year. February 1 is a deadline for doing things prior to the scheduled board meeting and marketing purposes.

**Review of SAIL form for Online Approval for Course Change and New Course Proposals:**

- Recommendations:*
1. In the list for accessibility, ensure parallel structure.
  2. Consider reworking the following statement: "In an hybrid/online version of this course how will you ensure 1) student accessibility to course content.....2) active learning.....,and 3) access to methods of evaluation." The next sentence should perhaps state "Which of the following elements....". (underlined is suggested addition)

Motion was made and seconded to support proposed changes with edits as suggested above.

Motion passed unanimously. OEMC will follow up and get these fixed and go live with the changes proposed..
