**Report from the Chair:**

- 1) UCC Chair indicated that there is curricular policy for Undergraduate/Graduate combined programs at the grad school.
- 2) The UCC Chair received a “blanket” request for CHP exemption for hours for clinical/fieldwork. It was missing some data regarding *why* the exemption is needed (e.g. accreditation, comparable programs) for each course requested. UCC agreed that this detail was needed for this type of review to be done. The UCC Chair will return the request with further instructions..

**Report from Provost:**

- 1) Registration numbers ('census') for this semester are down 4.4% in credit hours from last winter. This is not as bad as it could have been.
