- 2) The UCC Chair will be meeting next week with the Chair of Communications re: their combined programs amendment requests.
- 3) UCC Chair provided notice to UCC that there will be some upcoming changes to the SAIL system to enable a unified approach to badge and certificate reviews. Once the certificate and badge forms are ready to go, the parts of SAIL concerning the micro-credentials will be blocked from use and those selecting that will be 'sent' or 'referred' to the OEMC space for proposals to be submitted. This is simply a heads up at this point.

Report from Provost:

- 1) Ellen S. reported briefly on the badge discussion and how non-credit bearing badges and credit bearing offerings (e.g. certificates) will differ, and how OEMC process worked on an issue today.
