Meeting #1

Called to Order: 2:00 PM

- Approval of the Agenda for 9/2/20
- Approval of the Minutes from 5/27/20

Report from the Chair: 1) The chair asked for introductions of all members to begin the meeting.
2) The charge from ECS has been received, but still needs to be approved by UAS/ECS this week. This relates to the requested connection between the Honors Curriculum & Development Committee and UCC (a representative from UCC to be added). UCC is asking for anyone who would like to volunteer from UCC to serve on this committee to contact him-they will have reduced assignments in UCC meetings. This may result in a revision of the faculty handbook (at some juncture). A motion to accept the ECS charge was given and supported, passed unanimously.
3) All responsibilities of members of UCC are delineated in the faculty handbook.
4) Members are encouraged to check the UCC website and report any discrepancies to the UCC chair.

Report from Provost: 1) The certificates for the LEADS program were approved, and those started.
2) Some programs approved by UCC are “on hold” in Provost’s queue: TESOL programs from English; Pharmacology major; and Recreational Therapy Graduate program(s).
