- 3) The chair reminded UCC members that we need to have a UCC member sit on the Honors Curriculum council, and asked for a volunteer. Changes in existing courses within the Honors College (new topics in the Honors course sequence) are handled internally by the Honors College Curriculum committee, and then go directly to the Provost.
- 4) UCC is currently "down" three members, and the parties that need to be notified, have been.
- 5) The UCC Chair will attend the ECS meeting this week, and receive our charges for the year.

**Report from Provost:**

- 1) Ellen reported that there may be a number of new programs coming, and that curricular things may have been developed over the summer.
- 2) Provost search is underway, please use the website to offer input regarding skills, insights, etc for the next Provost. There are forums coming up for faculty to voice opinions. Chris Plouff is serving as the interim Provost.
- 3) Enrollment: -3.3% in Fall 2021, thus far. -5.5% in student credit hours. UG registrations are down, up in Graduate registrations. We did have a positive tuition variance last year, which is supporting our enrollment drops for this year.
