- 11876 PED 207 CCP

Report from UCC Chair:

- 1) Due to Fall break and the low number of proposals, there likely will not be a meeting next week.

Report from Provost:

1) A unit has found several typo/formatting errors on existing SOR's. Could this be fast-tracked, via sending to Martin and Ellen, and have a student worker cross check for changes? Once completed, the SOR's will be managed by Records. It is not certain how these amended SOR's will be recorded in SAIL. There is a fast-track process for SOR changes and suggested that this will be continued to be used by UCC in this instance. **UCC supports the use of the Fast-track process in this case.**
