Meeting #13 (Synchronous, Zoom)

Called to Order: 2:04 PM

Consent Agenda

- Approval of the Agenda for 1/19/21
- Approval of the Minutes from 1/12/21

Report from UCC Chair:

- 1) Fast track change form for Pre-reqs is now in SAIL and Excel form no longer is in use.
- 2) UCC Chair indicated that there is a fast track for SOR's available on the UCC Governance website (from 2013) originally intended to get SOR's for all courses online, prior to HLC visit. UCC needs to update the language on the website by removing "or if the unit determines that the existing SOR does not match current practice". This could lead to SOR changes in courses with no documentation. Will consider a change for next week and best approaches to take. One proposal would be to determine whether the CCP form can also include an option for SOR only.
- 3) In the fast track change of prerequisite drop or exchange, the course syllabus is populated and could be changed-this needs to be addressed with SAIL team.

Report from Provost:

- 1) Ellen again encouraged us to give input into Provost search/presentations.
- 2) Pam/Ellen (with a student worker) are researching the "rule" re: number of credits required (and associated credits) in 300 and 400 level classes for an undergraduate major.
