Report from Chair:

- 1) Chair reported other tasks required of him, such as being a member of the "Credit by External Examination group" that determines what exams are appropriate to grant academic credit, in addition to attendance at UAS/ECS and the New Program Council. The Chair will work to prepare a description of the duties for the next person that will assume the UCC Chair role after this semester.

Report from Provost's office:

- 1) The SWS group is working with the office of UG Research to pilot a program so that a student participating in the student summer research program, can apply to have the SWS requirement waived.
- 2) International Education Committee- per the bylaws reports to us (UCC) and the Provost. Ellen raised this with FelixNgassa regarding outdated language in the handbook, and that it might make sense for IEC to report to UAS vs. UCC.
