**Discussion (if we have time!):**
ECS Charge #1: College Committee Guidance: Create a document for the College committee chairs with guidance regarding points to consider when reviewing proposals.
SHORE Log: 1245-2021

Discussion prompts:
1. What are the most common "mistakes" that we see coming from CCC's and what direction can we offer?
2. What format should we use for the document? Flow chart? Algorithm? Lists?
3. Based upon feedback/considerations  from the "Curriculum Roadshow" should we first consider this document: **Curricular Review and Development Checklists - Faculty Governance - Grand Valley State University**
