- Change of descriptor for a checkbox in SAIL- alter checkbox to state “Curriculum Change Request” vs. “Program Change Request” per suggestion of Thomas Pikes
- **Approved at 2:04 pm**

Report from Chair: Change of descriptor for a checkbox in SAIL- alter checkbox to state “Curriculum Change Request” vs. “Program Change Request” to allow for clarity regarding changes to curricula, that include things OTHER than programs, such as Badges. Request to add Certificates to this check box list. No meeting next week, supergroups please continue working on your tasks.

Report from Provost: Erica will be sending suggested changes to the curricular review routes for UCC to provide feedback. OEMC would like to add “review potential overlap with existing credentials” to their list of responsibilities. Is this ok with UCC? Yes. Reminder from Erica that she is updating several GV websites about the certificate definition. FYI there are a few “legacy” certificates that do not fit within the 9-18 cr. definition to which we currently abide.
