**Online ASYNCHRONOUS meeting**

(there are only 2 things to review and I'm hoping that the Supergroups can meet and be ready to report in at the 10/9/24 meeting!)

How this asynchronous meeting will go:

**1. Before** 2:00 PM on 10/2/24, please go to the Google Comments document and review/comment on the things you are assigned. *NOTE:* I have assigned the Curriculum Change Request to ALL, because it is a Combined degree, and it will help us all understand these types of actions! The single course is only assigned to Sue and Aaron. Please record a motion using your name, and someone offer a second using your name (just as if we were in person).

Barb will be monitoring and making sure that there is a CLEAR motion for each of the two proposals.

**2. Before** 4:00 PM on 10/2/24, return to the Google Comments Document and vote for the motions as written, by stating your name, and writing "yay", "nay" or "abstain". Cara will assist in tallying the votes and generating minutes.

**3. Any questions, reach out!**
