

Pine Rest Academy

The Pine Rest Academy aims to support nursing students committed to Pine Rest's mission of service to those in need. We have partnered with select universities to provide up to \$10,000 in tuition assistance per semester (up to \$40,000 total), a job offering direct patient care experience while in school, and a nursing career with Pine Rest after you graduate!

Academy Highlights

- Dedicated mentorship
- Personal and professional development events
- Paid, flexible schedule direct patient care experience while attending school
- Cohort community in the workplace focused on new and emerging nurse professionals
- Certifications and specialized trainings available
