

## **Bachelor of Science in Nursing (B.S.N.)**

Four-Year Plan w/ Summers\* 2025-2026 Catalog Year

1st year							
Fall		Winter			Summer		
CHM 109 Introductory Chemistry	4	BIO 120 General Biology		4	BMS 250 Anatomy &	4	
PSY 101 Introductory Psychology	3	CHM 234 Introductory Biochemistry		4	Physiology I	4	
General Education	4	Foundation – Writing**		4	STA 215 Statistics	3	
General Education	3	General Education		3			
Total	14		Total	15	Total	7	

2nd year							
Fall		Winter		Summer			
BMS 212 Introductory Microbiology	3	NUR 222 Foundations of Nursing Theory	3	General Education	3		
BMS 213 Microbiology Lab	1	NUR 223 Foundations in Nursing: Health	3	General Education	3		
BMS 251 Anatomy & Physiology II	4	Assessment and Clinical Skills	3				
PSY 364 Lifespan Development Psych	3	NUR 225 Foundations in Nursing	4				
General Education	3	Simulation	J				
		BMS 305 Clinical Nutrition	3				
		BMS 310 Basic Pathophysiology	3				
Total	14	Total	13	Total	6		

3rd year							
Fall		Winter			Summer		
NUR 310 Adult Nursing I	3	NUR 342 Obstetrics Theory		2	General Education	3	
NUR 313 Adult Nursing Clinical I	4	NUR 343 Obstetrics Clinical		1.5	General Education	3	
NUR 319 Adult Nursing Simulation I	1	NUR 345 Pediatric Simulation		1			
NUR 326 Nursing Pharmacology	3	NUR 346 Pediatric Theory		2			
NUR 329 Community Public Health	3	NUR 347 Pediatric Clinical		1.5			
Nursing I		NUR 349 Obstetrics Simulation		1			
		NUR 352 Intro to Nursing Research & Evidence-Based Practice		3			
		BIO 355 Human Genetics		3			
Total	14		Total	15	Total	6	

4th year					
Fall		Winter		Summer	
IPE 402 Interprofessional Education for	2	NUR 415 Multi-patient Simulation	1		
Collaborative Practice (IPECP)	2	NUR 422 Leadership Theory	2		
NUR 403 Psych-Mental Health Clinical	2	NUR 423 Clinical Immersion	4		
NUR 404 Adult Nursing II	2	NUR 424 Transition to Practice:	4		
NUR 405 Adult Simulation II	1	Nursing and Beyond	ı		
NUR 406 Psych-Mental Health Theory	2	NUR 495 Community Public Health	3		
NUR 407 Adult Nursing Clinical II	2	Nursing II	3		
NUR 408 SWS Ethics and Challenges in	4	General Education (online preferred)	3		
Professional Nursing	1				
General Education (online preferred)	3				
Total	15	Tota	al 14		

<sup>\*</sup>This plan is based on the completion of MTH 110 Algebra or fulfillment of the requirement through Math Placement. Algebra can be fulfilled in one of three ways: by completing MTH 108 Algebra Stretch I and MTH 109 Algebra Stretch II, by taking MTH 110, or fulfillment of the requirement through Math Placement.

\*\* **Foundation – Writing** can be fulfilled in one of two ways: by completing WRT 120 Stretch I and WRT 130 Stretch II, or by taking WRT 150. You will have fulfilled the general education Foundations - Writing requirement when you complete WRT 150 or WRT 130 with a C or better.

## **Application/Admission Requirements**

The competitive admission process admits 120 students into the fall semester and 120 students into the winter semester. Detailed application and admission requirements are available online at <a href="https://www.gvsu/edu/kcon">www.gvsu/edu/kcon</a>

- GVSU Undergraduate Application: Students must be admitted as degree-seeking undergraduate students for the semester in which they intend to begin the professional nursing program.
- **Declare** Nursing major before secondary application submission.
- Minimum Overall 2.70 GPA is required (including non-GVSU college courses).
- Minimum Prerequisite 2.70 GPA is required (including non-GVSU college courses).
- Minimum grade of "C" (not C-) or higher is required in all prerequisite coursework.
- Adhere to KCON Repeat Policy: Student is allowed to repeat three admission prerequisite courses (only two of the three can be science courses, BMS, CHM, BIO). A course cannot be repeated more than once.
- Complete an Application August 1-8 for admission into the winter semester (January) or January 1-8 for admission into the fall semester (August).
- Transcripts: Official and updated copies of ALL non-GVSU transcripts sent directly to the GVSU Admissions Office

Selected students must submit documentation of the following: physical examination, verification of immunizations, TB testing, CPR certification, drug screening and a criminal background check.

## **Admission Considerations**

Admission is based on balanced consideration given to the following components:

- Academic grade point average from prerequisite courses (BIO 120, BMS 250, CHM 109, CHM 234, PSY 101, WRT 150 or WRT 130, and one general education course)
- Interview
- Personal Statement
- Student Profile

## **Nursing Program Progression Policies**

To progress in the traditional B.S.N. program, a minimum grade of C (2.0) is required in the prerequisite, required, corequisite, and all nursing courses.

A grade less than a C (2.0) is considered a failure in all required B.S.N. courses. Students who fail more than one required NUR course will not be allowed to remain in the program. Withdrawal from a course when not in good standing will be considered a course failure regardless of when the withdrawal occurs.

Total number of program credits may vary and could exceed 120 (based on general education course selections).
