LEARNING OUTCOMES

CLOSE LOOKING

Slow down and search for small details.

CRITICAL THINKING

Combine what you see with what you already know to develop understanding.

EMPATHY

Listen to and consider the observations of others in group conversation.

Step-by-Step

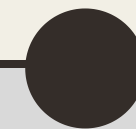

OBSERVE

Look closely at the artwork.
Notice small details and the
relationships between objects.

DISCUSS

Name what you see and what
you think is happening in the
artwork.

RECONSIDER

Listen to the observations of
your classmates and consider
their perspective.

What's going
on here?

What do you
see that makes
you say that?

What more can
we find?
