# ABOUT THE COMMUNITY

## What is an RA?

A Resident Assistant is an upperclassmen tasked with building an engaging community, serving as a resource for residents, and keeping the community safe through duty rounds. Their job is to help you so say hello and have fun!

## Traditional and Suite Style:

PiCo DePew is made up of three suite-style buildings, and one traditional-style building (Copeland). This makes up a community of about 400 first-year residents like you! There are two Resident Assistants (RAs) in each suite style building, and five RAs in Copeland. .
