

Conference Objectives

At the completion of this conference, the participant will be able to;

- Discuss the current evidence base regarding interprofessional, environmental, and communication factors which contribute to patient safety and health care errors
- Discuss the integration of patient safety content into an interprofessional education curriculum
- Describe how interprofessional practice contributes to patient safety
- Apply innovations in interprofessional education and practice

CNE Credit

Grand Valley State University Kirkhof College of Nursing, a Michigan board of Nursing approved nursing education program is authorized by Administrative Rule 333.10602g to award contact hours to participants at continuing education programs provided by the Kirkhof College of Nursing.
