

George Grant Jr, Dean CCPS

GOALS 2017-2018

The mission of the College of Community and Public Service is to educate students for professional careers through excellent teaching, learning, scholarship, and service that promote just and democratic communities, and ethical and effective leadership.

Improve diversity of graduate and undergraduate students in CCPS programs.

Supports CCPS objective 1.B.1 and 1.B.2

Develop performance or outcome measures for CCPS and its units to improve cost-efficient management, resources allocations, and support community engagement.

Supports CCPS objective 2.E.1

Incorporate (1) participation in external community / professional relationships (2) community-engaged teaching, scholarship and service and (3) professional development into the CCPS promotion and tenure guidelines

Supports CCPS objectives 2.C.1, 2.D.1 and 2.E.1

Increase recognition of work and accomplishments of CCPS faculty, staff and students.

Supports CCPS objective 4.D.1

Make aesthetically improvements to the College's common space that will improve the College's image and reflect CCPS mission, vision and values.

Supports CCPS objective 4.D.2
