

Dear Colleagues,

I humbly self-nominate for my continued service on the College Personnel Committee (CPC). As a tenured faculty member, I bring legacy experience with the renewal, tenure, and promotion processes based on the quality standards of the College and our unit. I am committed to fair and transparent personnel reviews that support faculty growth while upholding high academic standards. I believe in an equity-minded, consistent approach to the personnel process, it is essential for fostering an inclusive and supportive academic community. I would be honored to continue to serve on the CPC and contribute my time and judgment in support of faculty and the College as a whole.

Sincerely,

Monica Harris
