

I am nominating myself to serve on this committee. International education has always been important to me, and I have been active in international activities on campus and supporting our international students. While I have never lead a study abroad trip I have experience crafting policy for our school and for graduate education when serving on the Graduate Council. I taught abroad while in the Czech Republic for my Fulbright Scholarship. I would be glad to serve on this committee and contribute to improving international education here at GVSU.
