

Prerequisite Completion Form Clinical Dietetics M.S.

2025
Application Year

Student: _____ College: _____ Date: _____

Major: _____ B.S. degree: ☐ In-Process ☐ Completed/Date: _____

Program Prerequisites Course marked * require B- (2.7) grade or better. Recommend "C" or better in remaining prerequisites. Courses in (parentheses) are GV prerequisites.		School	Equivalent Course Subject/Course #	Grade	Anticipated completion
BIO 120	General Biology				
STA 215 (prerequisite MTH 110)	Intro. Applied Statistics				
BMS 250 (prerequisite BIO 120)	Anatomy & Physiology I				
BMS 251 (prerequisite BMS 250)	Anatomy & Physiology II				
CHM 109 or 125/26 & 127/128	General Chemistry				
CHM 231 or CHM 235/236 and 237/238 (prerequisite: CHM 109 or 127/128)	Organic Chemistry				
*CHM 234 or previously CHM 230 or 232 (Prerequisite: CHM 109 or 125/126)	Intro. Biological Chemistry				
BMS 212 & 213 (prerequisites: BIO 120 & (CHM 127/128 or 231 or 234)	Microbiology with Lab				
BMS 105	Basic Nutrition				
*BMS 305 (BMS 290 or 251 & (CHM 234 or 461) OR *BMS 306 (BMS 290 or MOV 304 & (CHM 234 or 461) or *AFN 400 at GVSU grade of B- or better	Clinical Nutrition or Advanced Nutrition or Medical Nutrition Therapy I				
BMS 304 (offered winter only) (BMS 105 and Junior Standing)	Community Nutrition				
BMS 407 (offered fall only) (BMS 105 or 305 or 306 or AFN 400 & (BMS 290/391 or 251)	Nutrition in the Life Cycle				
HTM 250 (override request for HTM 213) or ServSafe Manager certification	Food Production & Kitchen Management				
Students who have an undergraduate degree from a didactic program in dietetics (DPD) accredited by The Accreditation Council for Education in Nutrition and Dietetics (ACEND ®) do not need to complete the prerequisite courses.
