Grand Valley is excited to announce a new partnership with the University of Michigan's Semester in Detroit (SID) program. This innovative program provides an opportunity for students to earn 13-18 undergraduate credits through a rich and unique learning and immersion experience, while living in Detroit.

Why Study in Detroit?

- LIVE in a dynamic and diverse urban setting - now with community housing.
- LEARN from community leaders, U-M faculty and personal experience.
- WORK in challenging, creative internships with Detroit community organizations.
- ENGAGE with Detroit's history, experience, people, and promise.

The Semester in Detroit mission is to engage undergraduates in substantive, sustained and reciprocal relationships with the people and communities of the City of Detroit. Combining a semester-long residence in the city with rigorous academic study and comprehensive community-based internship, SID students become deeply involved — and committed to — the life, challenges and promise of this important American city.
