--	---	---

We encourage you to take part in this opportunity. If you commit to help you will be assigned to an event with at least one other integrated science student.

This commitment should be considered a serious professional commitment. If you are assigned to an event and for some reason you are not able to attend then you should notify both Keith Oliver and your partners for the event and if possible find a substitute to take your place at the event.

The Integrated Science program will not provide transportation, but we can facilitate carpooling. If you can offer rides or need a ride please indicate on the appropriate box below.

Please return forms to your instructor, Keith Oliver (156 PAD), or the ISCI office (212 Henry) by September 16, 2014 (for the sept 25 date) or by October 2 (for other dates). Thank you for supporting this learning opportunity.
