

ANNOUNCEMENT

HERBERT L. VANDERMHEY INTERNSHIP WINTER 2018

GRAND VALLEY STATE UNIVERSITY ROBERT B. ANNIS WATER RESOURCES INSTITUTE

The Robert B. Annis Water Resources Institute is offering a competitive winter semester internship made possible by a gift from the late Mr. Herbert L. VanderMey. The internship will be awarded to a Grand Valley **undergraduate** student majoring in the sciences, including biological, chemical, engineering, computer science, health, biomedical, natural resource management, mathematics, statistics, or physical sciences. The purpose of this internship is to broaden the student's perspective on his or her chosen discipline through practical application of classroom learning. Applicants are requested to complete an employment application, include a resume, and compose a one-page essay addressing the criteria listed below.

The recipient of the internship is expected to spend an average of 12 hours a week working on AWRI projects for 15 weeks during the winter semester and will be compensated up to a maximum of \$2,000.

Applicants will be judged using the following criteria:

- Past academic performance with emphasis on improvement;
- An interest in our environment and the preservation of our natural resources; and
- Potential to contribute to Institute projects.

Application forms are available at the AWRI web site (www.gvsu.edu/wri) under the Internships page, Undergraduate Funding/Opportunities.

The deadline for applications is 5:00 p.m. on Friday, November 10, 2017. The successful applicant will be notified by Wednesday, November 22, 2017. For more information contact:
