RESEARCH & INNOVATION AT GVSU

Hello colleagues! A new semester is nearly upon us. We hope to see you at the CSCE Meet & Greet on Friday, August 11 at 11:30 AM (details under the Office of Sponsored Programs below).

Office of Research Compliance and Integrity

Updates to NSF's Responsible Conduct of Research Requirements

The National Science Foundation (NSF) has updated its Responsible Conduct of Research (RCR) requirements for any new proposal submitted or due on or after **July 31, 2023**. All principal investigators, co-principal investigators, and senior personnel who are or will be supported by NSF funds are required to complete RCR training. Please see the [RCR website](#) for more information and how this requirement can be met.

Office of Sponsored Programs

The Center for Scholarly and Creative Excellence invites you to our Meet and Greet

Join us for small bites and conversation Friday, **August 11, 2023, 11:30 am – 1:00 pm** in the GVSU Mary Idema Pew Library Multipurpose Room 030.

CSCE is presenting to new faculty in the morning, and we would be pleased for you to attend a get-together afterward. This will give new faculty a chance to talk with you about your scholarship, research, programming, and creative activities. We believe it will be a day to inform and inspire. [RSVP here](#) to join us!

Center for Undergraduate Scholar Engagement

John H. Logie Fellowship

The [John H. Logie Fellows Program](#) offers students at GVSU an exceptional opportunity to experience and contribute to the operations of the City of Grand Rapids. Logie Fellows work in individual consultation with representatives from the City of Grand Rapids to tailor the fellowship experience to their skills and areas of interest. Key topic areas for the City in 2023-24 include housing and homelessness, sustainability and climate change mitigation, community master planning, community engagement, public safety, and infrastructure project planning. The application cycle is now open and will close **October 13, 2023**.

Office of Undergraduate Research and Scholarship

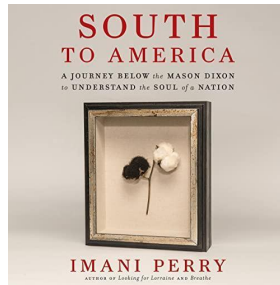

Seidman Undergraduate Research Assistant (S-URA) Program

The S-URA grant provides undergraduate students with majors and/or minors in the Seidman College of Business the experience of engaging in active research and assisting Seidman faculty on research projects. By engaging in mentored research and scholarship, students have the potential to experience the transformative nature of research, as well as develop academic and professional skills. A goal of the program is to encourage Seidman students to pursue additional opportunities in independent, original research.

[Submit your proposal online](#). Proposals for **fall positions** are due **August 18, 2023**. Proposals for **winter positions** are due **November 17, 2023**.

SSD Keynote Speaker Announced: Imani Perry

National Book Award Winner, Imani Perry, author of *South to America: A Journey Below the Mason-Dixon to Understand the Soul of a Nation* will be the keynote speaker for the 28th Annual Student Scholars Day. She will be on campus **Tuesday, April 9, 2024**. If you are interested in a review copy of the book to see how you might implement in your classes or as a bookclub, please reach out to OURS at ours@gvsu.edu. We're excited to welcome Imani Perry to campus.

1 Campus Drive
