Advertising and Public Relations Major Suggested Elective Courses

The following courses are suggested as electives for Advertising and Public Relations majors and minors and if you take these they will be automatically applied as electives on MyPath. Elective suggestions are listed separately based on a student's emphasis in advertising or public relations. There may be courses at GVSU not on this list that would also be appropriate.

- **Electives must be 200-level or above and not already taken for other university requirements, such as general education or themes. Courses from another major/minor may be allowed.**
- **Electives NOT on the list must be approved by your faculty advisor so that they will show up under MyPath under the major/minor and not just as free electives.**
- **Check the online catalog to see if an elective course you are interested in has prerequisites listed. You would have to ask the professor teaching the course you want to take if they will allow a prerequisite override for you.**
