

## **2025 SAP Farm Crew Member**

### **Position Summary:**

The farm crew members provide an integral part of the daily farm functions of the sustainable agriculture project. This job best fits someone who has the physical and mental strength to tackle the challenges of farming while also supporting the rest of the farm team and interns. On the farm we balance farm work alongside fun by cultivating a positive work environment that is fulfilling and rewarding. Due to the variety of farm tasks, there will be regular trainings on how to effectively perform each task throughout the season.

### **Duties and Responsibilities:**

- Harvest and post-harvest processing of vegetables, herbs, and flowers
- CSA order fulfillment and delivery
- Field duties including transplanting, crop maintenance, weeding, trellising, pruning, watering, and bed preparation
- Cleaning, upkeep and organizing of farm spaces
- Record-keeping of harvest, watering, donations, and bed amendments
- Groundskeeping including mowing, weed whipping, and hoop house maintenance
- Farm stand operation including processing credit transactions
- Leading groups of volunteers or visitors through various farm tasks
- Other duties as assigned by the farm manager

### **Required Skills and Abilities**

- Ability to lift up to 50 lbs for periods of time
- Ability to squat, kneel and stand safely throughout the workday
- Ability to actively listen, take direction, and process feedback
- Ability to work alone or in a team
- Strong work ethic and verbal communications skills
- Excellent judgement, responsibility, and positive attitude
- Ability to wake up early and be prepared, focused, and on time for physically and mentally rigorous work.
- Enrolled as a GVSU student

### **Scheduling and Compensation:**

Part-time up to 20 hours per week

Pay starts at \$12.48/hour

This position starts on May 5<sup>th</sup> and ends on August 15<sup>th</sup> 2025, for a total of 15 weeks.

Farm crew members should be available to work on Monday and Tuesday mornings.
