Chair's Report – Please let Chair know if you are not going to be around or you don't have time to do a review so assignments can be distributed appropriately. UAS meets this Friday and Chair will attend about the GEC succession plan.

Director's Report – Due to COVID we haven't had face-to-face orientations, which leaves us with too many printed handbooks. We think this year they will go back to face-to-face so we will print 6,000 handbooks this year instead of 7,000 we had last year.

Provost's Report – The Provost search is still underway. Today is the last day to provide input through the survey.
