Chair's Report – None.

Director's Report – Director met with some of the Creative Thinking group. They do not have a consensus on what they want or a rubric that will work. The rubric would have to work for all categories, not just Foundations-Arts. They are going to come up with a sentence about Creative Thinking and then they will work on the rubric. They will reevaluate the skill options for the Arts category. This change, if it happens, is at least a year out.

Provost's Report – UAS voted to endorse Reach Higher 2025. The Provost search wrapped up last week and no decision has been made yet. The Dean for the College of Nursing and the College of Health Professions are currently in progress.
